WORK HISTORY

purchasing agent - sales manager
Scholzen Products
Hurricane, Utah 84737

I've worked for Scholzen products for 33 yrs.
Started in our steel warehouse and work through shipping and receiving and at the front counter as the manager. I moved into purchasing 15 yrs ago. Here I purchase for 2 stores. I work in the commercial and the residential in the plumbing sales department and I am the manager of the Hurricane store over these sections.

- Worked for same company for 33 yrs
- Purchasing plumbing for 15
- I have competed the train the trainer course for Aquatherm on Feb -21-2012
- I have trained plumbers, citys employees, water district since being trained as a trainer for Aquatherm
- I am also a certified trainer for yellow gas butt/socket fusion for Performance pipe products
- I am also a trainer for ward flex gas piping systems - from Ward mfg co.
- I understand about plumbing, water distribution, gas and chemical distribution
